

Margaret Dunk

1937 - 2022

A message from Margaret's husband Maurice 23 September 2022:

Thank you all at Kent netball Margaret never forgot you and the wonderful times she enjoyed playing and coaching Kent.

Both these photos were from the Kent days, one as a player the other as a coach. The player photo is from 1964 INTER COUNTY CHAMPIONSHIP in Broadstairs Margaret with head band. The other is the Mitre Winning Cup Team from the 70's (don't have a year). Margaret played wing defence in her playing days.

When Margaret and I married in 1989 she had a change of direction and took up Golf. Something she once told me was an old man's sport! She was making her mark in the golf world and became lady captain at Oake Manor in Somerset. Her captain's photo 1995.

We moved to Woodhall Spa in 1996 and she was a member at the world renown course. Sadly she was bitten by a tick in the USA, when visiting her sister, in South Carolina and contracted meningo-encephalitis. The last 18 years she was somewhat disabled and I nursed her for this protracted period. Earlier this year she was diagnosed with stomach and colon cancer and died in hospital. She died of heart failure her body just couldn't take anymore.

Maurice.
