1. Policy Statement

Every year Kent Netball (KN) recognises those who have made an outstanding contribution to enriching lives through netball across the County.

KN appreciates and values the significant contributions that volunteers and others make to the Objects of KN and wishes to provide formal recognition for this.

KN honours individuals with extensive service to the county with Honorary Life Membership.

KN recognises achievement with awards which can be divided into the following two categories:

- The Kent Awards which are presented at the AGM and may include perpetual trophies as indicated herein.
- The Goalden Awards which are presented in the New Year. Where eligible, the county winners are forwarded to the national Goalden Globe Awards pathway.

Although it is the intention to present each award every year, this will naturally be dependent on nominations received. Everyone is actively encouraged to recognise the achievements of others through nomination.

The awards will be marketed as follows:

- year-round presence on the Kent Netball Website;
- social media campaign two months prior to nominations closing;
- proactive marketing to clubs, leagues and schools at commencement of season;
- targeted approaches to individuals to encourage nomination of others;
- nomination tips; and
- precedent - examples of previous winner's achievements.

Anyone can nominate a netball volunteer by completing the official nomination form found on the Kent Netball website.

Nominations for the Kent Awards are open year-round but close on 01 June each year for presentation at the AGM.

Nominations for the Goalden Awards are open year-round but close on 01 June each year for presentation at the AGM.

KNMC members will not accept or request any reward from any person in return for providing recognition in line with the Kent Netball Finance Policy.

It is a requirement of KN that members adopt and implement this policy.

A copy of this policy and procedures will be given to all KNMC members upon their election/appointment to the KNMC and to all other relevant volunteers as part of their induction.

In the course of administering its business in connection with this policy, KN may need to process both personal data and special categories of personal data. KN will process such data in accordance with the Kent Netball Data Protection Policy.

The Chairperson is responsible for ensuring that this policy is implemented effectively. The Chairperson is responsible for the day-to-day implementation of the Policy. All other KNMC members are expected to facilitate this process.

A record of revisions of this policy will be recorded in the Kent Netball Documents – Version Control Register.

Queries regarding this policy should be directed as indicated in the Relevant Contacts section.
