## KENT NETBALL

### 1. OVERVIEW

The National Schools Netball Competition (hereinafter called the “Competition”) is a national competition organised by the All England Netball Association (England Netball) to enable schools to compete against each other to determine a national winner in each age group, whilst encouraging participation in netball through an open, fair and transparent competition.

The Competition takes place over a series of competitive rounds, with eligible top placed teams progressing through each round to the National Finals.

These regulations set out below outline the rules and regulations (the “Regulations”) upon which the Competition must be run.

The Regulations must be followed by all Local Organising Committees (“LOCs”) in the management, administration and operation of the Competition.

However Sections 4, 7 and 8 must be included in the regulations for Area Rounds and enforced accordingly.

2.3 Each Competition Round will take place on a day specified by the LOC (see 3.1 for definition of LOC), which will be referred to as the Competition Day.

2.4 An overview of the Competition structure is set out in the diagram below:

2.5 The winners and runners up of each Competition Round shall progress to the next level, providing they meet (and continue to meet) the eligibility criteria outlined in Section 5. **Note: Where one of the Teams has its Goal Average, Goal Difference or total number of goals scored affected by conceded Match(es) as set out in 6.5.9, then all goals scored by and against conceding or disqualified Team(s) in all Matches shall be omitted from the calculations of both Teams level on points. Except where one of the Teams level on points is the conceding Team, at which point they will assume a goal average of 0 and will be the lowest ranked team of those level on points.**
